President Creelman,
Ontario Agricultural College,
Guelph.

Dear President Creelman:

The President has on his book of engagements a note that he is to go to Guelph on Tuesday next for the Y.M.C.A. Will you please let us know if you are expecting him, and if so what time the meeting is? He would like to know in order to make his arrangements for Tuesday.

Yours very truly,

Secretary.

President Creelman,
Ontario Agricultural College,
Guelph.

My dear President Creelman:

Many thanks for your kind invitation to stay with you next Tuesday when I go to Guelph. I will follow your suggestion and take the 3:40 G.T.R. train, which I hope will take me in in good time. I should like to have the pleasure of ~~staying~~ with you when I am there, but if you are absent I shall simply have to do without it.

With kind regards, I am,

Yours sincerely,

President.

May 8th, 1914

President Creelman,

Ontario Agricultural College,

Guelph.

My dear President Creelman:

The American Association for the Advancement of Science has accepted the invitation of the University of Toronto to meet here a year from next December, that is in the last week of the year 1915. We are now making our preliminary plans. Affiliated with the Association are many Societies and among them are the American Association of Official Horticultural Inspectors, Society for Horticultural Science, Society for Promotion of Agricultural Science, and Association of Official Seed Analysts. Probably the Agricultural College might desire to be associated with us in the entertaining of these people, and if special invitations are to be sent to them, they should be notified early, before they make other engagements and a formal invitation from the University will come later. We are to have our first general meeting on Wednesday, the 13th of May, at four o'clock in the Senate Chamber of the University. If you or any of your staff happen to be in the city on that day we shall be glad to have you with us.

Yours sincerely,

President.

May 14th, 1914

President Creelman,

Ontario Agricultural College,
Guelph.

Dear President Creelman:

At a meeting of our Committee held yesterday it was decided that members of the University who were interested in the affiliated Societies of the American Association for the Advancement of Science should intimate informally to their Secretaries that the Association will meet in Toronto in the last week of December, 1915, in order that they may have this in mind in making their arrangements for the forthcoming year. The formal invitation will be sent to these Societies afterwards. Will you take charge of the list that I sent you a week ago, as I presume you are in closer touch with them than any one else?

Yours sincerely,

President.
